

## About Darren Millar

### MP Candidate for Clwyd North

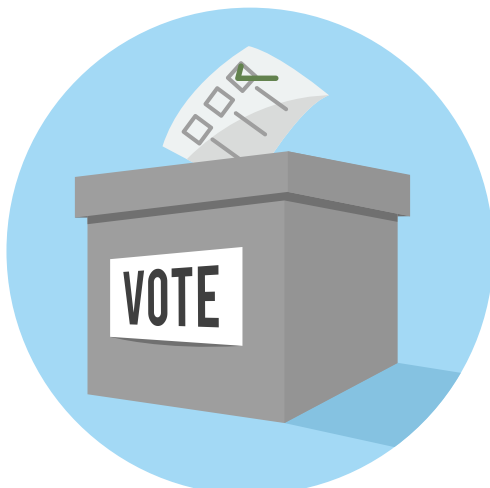

My name is Darren Millar.

I want to be your MP.

MPs speak up for local people and make laws.

Laws are rules that MPs agree in parliaments.

On the 4th July there will be an election.

In the election you can vote for a person to be your MP in Parliament.

**I want you to choose me.**

These are the things I want for our area:

### **1. More Money For North Wales:**

The Welsh Government decides how to spend money in Wales but North Wales does not get a fair share. I will work hard to get us a fair share.

### **2. Better Healthcare:**

The NHS is not working well. We need a new hospital in Rhyl to make our local NHS better, and more dentists to look after our teeth.

### **3. Money for Schools:**

Local schools do not have enough money. I will try to get them more so that children and young people get better test results.

### **4. Scrap 20mph Speed Limits:**

20mph speed limits everywhere are not working. It is better when they are near things like schools, playgrounds and places that have accidents.

## **5. Support Businesses:**

Lower taxes to help shops and businesses in our town centres and help them to give people jobs.

## **6. Better Connections and less flooding:**

Improve our roads, trains, flood defences, broadband, and mobile phone signals.

## **7. Cleaner and Safer Streets:**

I will work with the police and council to make you feel safer, stop people driving too fast, and clean up rubbish and dog poo on our streets.

Please choose me to be your MP when you vote on the 4th July.

Thank you.
